

FREE Do-it-Yourself Weatherization Workshop

*For those households who received a walkthrough energy survey.
Bring a copy of your energy survey report to the workshop!**

Wednesday, February 9, 2011

6:00 – 8:30 PM

At the SUN Area Technical Institute

Workshop topics include:

- ✓ **Where to weatherize; how to save energy & money**
- ✓ **How to use a caulking gun and where to caulk**
- ✓ **How to replace glass and glaze**
- ✓ **How to install door sweeps and weatherstripping**
- ✓ **How to wrap water heater lines**
- ✓ **Open discussion and questions**

**This FREE workshop will be instructed by Mr. Bill Samuelson,
Carpentry Instructor at SUN Tech.**

To register, call Megan Epler (570) 524-4491 x7250

or email mepler@seda-cog.org

SPACE IS LIMITED.

***Your energy survey report contains recommended weatherization techniques. Review your report so that you are sure to receive instruction for those techniques relevant to your home!**
